Dear Washington Woods Elementary School Families,

We're once again excited to kick-off our annual hassle-free "Just One Check" campaign.

Last year's Just One Check funds were used for:

- Classroom supplies for all teachers
- Camp Learn-a-lot for first grade
- Science Supplies for fourth grade
- Field Day
- Homecoming Float
- And much more

We recommend a donation of **\$25 per child**, but please feel free to contribute more or less as circumstances allow. Our goal for this campaign is to raise **\$6,000**.

We'd like this to be our only fundraiser of the year, which avoids having your student participate in door to door selling, where we receive only a small portion of the proceeds. With Just One Check, all donations go straight to providing opportunities for staff and students.

This is such a simple, fast approach to supporting your child's education!

With deepest appreciation,
Your WWES PTO

****All who return this form with a donation will receive an entry into our PTO Points drawings!**
