

Washington Woods Elementary Penny War

November 9th-18th, 2020

Put your spare change towards a great cause. The Kelly Family lost both of their sons unexpectedly in an airplane accident on Sunday, September 20th, 2020. All proceeds from our Penny War Fundraiser will go to support the Liam and Reece Kelly Memorial Scholarship Fund.

Pennies are “negative.” Here is how it works:

- Containers for each grade level are located in the hallway by the Media Center.
- Each silver coin is worth the point total of that coin. For example, a quarter is 25 points.
- Pennies count as negative points for OTHER grade levels. In other words, dropping 40 pennies into another grade level’s container takes 40 points away from their total – so save up those pennies!
- All change/points will be tallied and the grade level with the most positive points will be announced as the winners before Thanksgiving Break!

Save your change, it can make a big difference!
